1. Comes now, Paul-Kenneth: Cromar and Barbara-Ann:Cromar., secured parties for the names above, as a living man and woman on the land, hereby Defendants [*en pauperis*], *sui juris*, in the above captioned action, who hereby moves this court under Federal Rules of Civil

2. In support of said request for an extension of time to plead, Defendants state the following:
 - a. On the evening of September 24, 2020, a 75-man multi-agency SWAT assault occurred on the Defendant Cromars' home of 9870 N. Meadow Dr., in Cedar Hills, of Utah; and,
 - b. The unarmed Defendants were arrested without a warrant and their quiet residential home and neighborhood terrorized, and all the contents "obtained" by the "new owners"; and,
 - c. Despite three weeks of numerous requests, which began from the moment of Defendants' arrest, followed by various requests to the Sheriff's office, to the Utah County Prosecutor's office, and in two preliminary hearings on the record in Utah District Court, the Defendants' high-end Mac computer, numerous external drives, monitor, printer, etc., containing the only complete record of ALL the Defendants 2 years and 9 months worth of court documents, research and evidence needed for their defense and claims of fraud and denial of due process and a Trial, -- the Prosecutor's office just informed the Defendants on afternoon October 12th that the "new owner" has reportedly "discarded" (destroyed evidence) all this equipment, court documents, and evidence, etc.; and,
 - d. Additionally, the defendant Paul-Kenneth: Cromar, without the "discarded" Mac computer and related equipment, has now also been deprived of the of video editing, productions in various forms of completion, audio & video files, and related software necessary for family income as a professional film producer / director; and,
 - e. Reconstruction of the court files, research, and evidence, (*as well as video projects*) as far as is possible to reconstruct, will require a massive effort in time and resources; and,
 - f. Plus the newly discovered need to obtain additional proof referenced within newly unsealed US DISTRICT COURT document (August 21, 2020) with evidence of possible RICO violations and fraud perpetuated by specific individuals on the Defendants, the US District Court and the Tenth Circuit Court of Appeals, and in other related cases; and,

(NOTE related cases in Plaintiff's pursuit of Justice includes: UTAH FOURTH JUDICIAL DISTRICT COURT (Provo) civil cases #190400494, #196410645 #200400972, #201402860 & #201402868, -- and in U.S. DISTRICT COURT (SLC) 2:09-cv-1102, 2:17-cv-01223-RJS-EJF, 2:19-cv-0255-TDD, 2:20-cv-224, 2:20-cv-625)

- g. That in the interests of fairness and impartiality in the administration of justice, the Defendants pray this court grant an extension of time to the Defendants of 75-days (60-days minimum) to plead and reply on the court, with submission promised as possible within the grace window, to promote the speedy justice desired by the Defendants; and,
- h. This extension is necessary in order for the Defendants to meet properly reply and move the court, outside the normal timetable imposed within the regular court process, which also herein simultaneously requests a STAY OF ANY ACTION that may have occurred since the time leading up to and since the SWAT of September 24, 2020; and,
- i. This extension should begin today with recommendation of the expiration of the court imposed date of Tuesday, December 30, 2020; and doing so,
- j. While reserving the right to correct and amend this filing as necessary.

Respectfully presented to the court on this 16th day of October, 2020,
